WHO
WE ARE

Kayan Facility Management Services is a leading manpower solutions provider, delivering skilled professionals across multiple industries. We specialize in workforce management, ensuring businesses have the right talent to drive efficiency and success.

With expertise in construction, industrial staffing, logistics, and facility management, we offer tailored staffing solutions for temporary, permanent, and project-based needs. Our vast talent pool ensures access to top-tier professionals ready to contribute from day one.

At Kayan, we prioritize excellence, compliance, and safety, ensuring every placement meets industry standards. Our efficient recruitment process, deep industry knowledge, and 24/7 support make us a trusted workforce partner.

We don't just fill positions—we build strong teams that help businesses grow. Let Kayan Facility Management Services connect you with top talent, so you can focus on your business goals. Your success starts with the right people—let Kayan be your bridge to the future.

Vision &

Mission

Vision

We aim to be the leading workforce solutions provider, recognized for our reliability, industry expertise, and unwavering commitment to quality. By fostering strong partnerships and delivering exceptional workforce solutions, we drive business success and workforce excellence.

Our vision is to shape the future of workforce management through innovation, integrity, and professionalism, ensuring long-term success and growth for businesses and professionals alike.

Mission

At Kayan, we strive to deliver skilled workforce solutions across various industries with a strong focus on efficiency, safety, and compliance. Our goal is to empower businesses with the right talent, ensuring seamless operations, increased productivity, and sustained growth.

Through our industry expertise and unwavering commitment to excellence, we create long-term value for both clients and workers, fostering success and stability in every partnership.

At Kayan Facility Management Services we take pride in delivering skilled workforce solutions across industries such as construction, oil & gas, logistics, healthcare, and retail. Our unwavering commitment to efficiency, safety, and compliance ensures seamless operations and business continuity for our clients.

With a strong focus on quality, reliability, and precision, we empower businesses by providing the right talent to drive productivity, innovation, and long-term success. Our expert recruitment processes and workforce management strategies not only support sustainable growth but also enhance operational excellence in dynamic industry landscapes.

At Kayan, we don't just provide workers—we build lasting partnerships, creating a foundation for mutual success and continued progress.

Khalid Al Ameri CEO, Kayan Facility Management Services

Our Services

At Kayan Facility Management Services, we provide efficient workforce solutions that ensure seamless operations. With a commitment to quality and excellence professionalism, we help businesses thrive through skilled manpower and expert management.

01 Contract Maintenance

Ensuring reliable and cost-effective upkeep of facilities for uninterrupted operations. Our maintenance solutions help extend asset lifespan and reduce downtime.

O2 Support Services

Providing essential workforce solutions to enhance productivity and business efficiency. We ensure seamless support for daily operations across various industries.

03 Recruitment & Staff Outsourcing

Connecting businesses with skilled professionals for temporary or long-term staffing needs. Our tailored hiring solutions ensure the right talent for every role.

04 Specialized Cleaning

Delivering high-quality cleaning solutions to maintain hygiene and workplace standards. Our expert cleaning services create a safe and healthy environment.

05 MEP & Renovation

Offering expert MEP services and renovations for seamless infrastructure management. We ensure optimal performance and longevity of building systems.

06 Landscaping

Creating and maintaining aesthetically pleasing and sustainable outdoor environments. Our services enhance green spaces, improving both function and appearance.

07 Pest Control & Fumigation

Implementing effective solutions to safeguard properties from pests and health hazards. We use safe, industry-approved methods to maintain a pest-free environment.

08 Security Guarding

Providing trained security personnel to ensure safety and asset protection. Our professional guards deliver round-the-clock security for businesses and properties.

09 Talent Development

Enhancing workforce skills through targeted training and professional growth programs. We help employees reach their full potential, boosting overall efficiency.

10 Total Property Care

Comprehensive property management solutions to maintain and enhance asset value. From maintenance to upgrades, we ensure properties remain in top condition.
